SEAL BALL CLUB
NOT SOLD AS YET

SAN FRANCISCO, Feb. 8.—The baseball market was rather dull today. The Seals were not sold even once. Mique Fisher and Cal Ewing had a long talk today and Cal told Fisher just about how much money it would take to swing the deal.

Mique, who is a fresh chew, scratched his tupee and said he would give the matter deep thought. He and Cal will likely talk some more tomorrow and by Monday or Tuesday there should be something doing one way or the other.

There are some men with money here who would just as soon take a flyer at baseball if conditions are right, so when Mique gets the proposition shaped up in his mind he will talk business with them. Mique wants it understood once and for all that if he does take charge of the club there will be only one boss, and he will get his mail under the name of Mique Angelo Fisher. He wants things fixed so neither Cal Ewing nor any other man will have a finger in the pie.

Mique also says that the young fellows will all get a chance to show what they can do if he goes back into baseball. A lot of stars got their start under him and no kid with ambition will be turned down.

Ewing is anxious to have something settled soon so about Monday or Tuesday he and Mique will get down to brass tacks.

While Ewing was busy trying to sell the Seals, Hen Berry, president of the club and holder of 90 per cent of the stock, had a conference with L. R. Payne of Fresno about taking the Seals there to train next month. Payne will let Hen know definitely Monday whether or not Fresno will pay the training expenses of the team in return for the gate receipts of the exhibition games.

KIECKHEFER WINS
OVER DE ORO

World's Championship at
Three-cushion Billiards Taken
From Cuban 50 to 31.

CHICAGO, Feb. 8.—August Kieckhefer of Chicago won the world's championship at three-cushion billiards from Alfredo De Oro of Cuba by scoring fifty points to the former champion's thirty-one in tonight's play, giving him a total of 150 to De Oro's 126 for the entire match.

Kieckhefer made the high run of the match tonight by scoring ten consecutive points and at no time did De Oro seriously threaten.

Kieckhefer, who in the first two blocks repeatedly broke through De Oro's safety play with phenomenal shots, continued his wonderful shooting tonight and held his lead, gained in last night's play. He scored the fifty points necessary to win in fifty-one innings tonight, a feat seldom equaled in a championship match.

It was a case of the science of De Oro, a veteran of thirty-one years of championships, going to defeat by the wonderful shot-making of the younger man, Kieckhefer, who is only 29 years old. It was Kieckhefer's second attempt to wrest the title from the Cuban. Two years ago De Oro set a world's record by winning in 145 innings.

De Oro throughout the match appeared nervous, while Kieckhefer at all times was steady. Tonight De Oro twice resorted to safety, only to have Kieckhefer score apparently impossible shots.

Kieckhefer, starting with a five-point lead tonight, steadily increased the margin until at the one hundred and fiftieth inning he led 117 to 104. De Oro dallied and at the one hundred and sixty-ninth inning was only five points behind, but Kieckhefer in the next frame ran ten and thereafter was never in danger.

"Kieckhefer played the most wonderful billiards I have ever seen," was De Oro's only statement after the game.

Charles Otis of New York challenged the winner tonight, but his challenge is preceded by that of Camerfax and Maupome.

The score of tonight's play:

De Oro—200 001 001 000 112 012 000 104 004 000 402 016 020 200 000 200 09.

Total 31. Average .52. High run 4.

Kieckhefer—001 211 500 000 100 500 010 111 101 000 101 001 002 112 300 200 013. Total 50. Average .56. High run 10.

Total score: De Oro 126. Average .68. High run 8. Kieckhefer 150. Average .56. High run 10.

Aggies Meet B. Y. C. Tomorrow; Both Ready for Battle

LOGAN, Feb. 8.—The Utah Aggies will tangle with their old rivals, Brigham Young college, in the latter's gymnasium tomorrow. More rivalry is evident between these two local institutions than between the Aggies and the University of Utah, and seldom do these teams meet but what a free-for-all battle follows.

Both schools are keyed up for a hard battle on the floor between the respective teams and in the bleachers. The "police force" has been requested to be present, and he has consented to do so, and by so doing expects to persuade the male spectators to maintain a gentlemanly attitude.

Coach Knapp, B. Y. C. mentor, has

been sending his men through stiff workouts lately, and is expecting to spring another of those unlooked-for upsets in the dope sheet. The one big advantage that the college boys have is the fact that the game is to be played on the small B. Y. C. floor.

The crowd generally floods the playing floor, and since the Aggies are used to a large playing court, they figure that a team must be 50 per cent stronger than the B. Y. C. quint in order to trim that team. Therefore, no overconfidence is establishing itself in the minds of the Aggies, but rather they are preparing for one of the stiffest battles of the current season.

Coach Jensen will start the same five that he started against the University of Utah, and expects to make very few changes in the course of the game. In Fuhrman and Hale the Aggies will encounter two of the strongest forwards in the state on their own floor, and these two men will bear watching throughout. However, the Aggies, from present indications, seem to outclass their rivals in all other departments of the game.

The management is preparing to handle the largest crowd in several years, and another of those old-time "battles is sure to be the outcome.

New Bowling Record
Set by Two-Man
Team in East

MINNEAPOLIS, Minn., Feb. 8.—A new record for the International Bowling association was made today by George Wilke and C. Wolf of Minneapolis, who rolled 1309 in the doubles at the association's annual tournament, which is being held here. In 1911, G. Vandertuik and H. Martin of St. Paul made 1308.

Second position in this event today went to J. Stasch and Fritz Palmer, Minneapolis, who got 1257 pins. R. Saunders and B. B. Hull, Minneapolis, landed in the fourth berth with their count of 1266.

The day's play also brought out a new leader for the singles, Jake Buehler, Minneapolis, going ahead with a total of 656. Ben Gilbertson and G. F. Faschen, both of St. Paul, tied for third with 635 each. James Marland, Minneapolis, tied for fourth place with 633 pins with Joe Erne of St. Paul.

TOPEKA MAY TAKE

A canvass of the city is to be made to determine if the plan would meet with success.

U. TO CLASH WITH
B. Y. C. TONIGHT

Coach Fitzpatrick's Basketeers
Primed for Hoop Game
at Provo.

SALT LAKE, Feb. 9.—Primed for their battle with the Brigham Young university tonight, Coach Tommy Fitzpatrick's University of Utah basketeers will leave over the Orem line today 1:15 p. m. for Provo. The Crimsonites have put in an unusually strenuous week of preparation and are prepared for any surprises that the Provoites may be prepared to spring.

Tommy will take his full squad of twelve men. He will start the usual line-up, consisting of Rudine and Wright or Beal, forwards; Stevenson, center; Romney and Warner, guards. The Irish mentor believes that he has the strongest quint in the state and he hopes to demonstrate this fact before the end of the season. Tonight's game is rated as a very important one by the Utah coach, as Coach Gene Roberts of the B. Y. U. has always been noted for springing surprises and it is thought likely that he will be up to his old-time tricks tonight.

During the past week Roberts has had several of the old-time "Y" stars on hand to show the first string men how the game should be played. Ralle and Simmons are two of the boys who have aided Roberts. In some circles it is rumored that these performers will enter the Provo institution next week, but there is a question as to whether or not this would make them eligible for play.

Reports from the southern city have been conspicuous by their absence. This is thought to give more and more emphasis to the prevailing opinion that Roberts has something up his sleeve. Fans may rest assured, at any rate, that the "Y" men have improved considerably since their game with the B. Y. C. two weeks ago. This time was won by the Loganites, and since the Utah overwhelming triumphed the B. Y. C. men on the following night, dope naturally favors the Crimson.

Fitzpatrick has been giving his men a great deal of good hard work this week, and went as far as to issue an edict that members of the team who attended the junior prom last night could consider themselves off the hoop squad. It is safe to say that none of the men were inclined to be "lounge lizards."

If the going proves easy for Utah, Fitzpatrick will use a bunch of his second string men, as is his policy in easy tussles. When the second stringers get an opportunity to get into a game now and then, they feel as if they are working toward some goal and seem to take the game in earnest, states Tommy.

Simmons has been selected referee and Happy Holmstead umpire for the contest.

McCredie Says Baum's
Complaint Is a
Foolish One

PORTLAND, Ore., Feb. 8.—Judge William Wallace McCredie received from Secretary Farrell of the National association, through President Blount of the Pacific Coast International league, the protest of President Baum of the Pacific Coast league against the name adopted by the old Northwestern league.

McCredie answered as follows: "The name Pacific Coast International league is no more similar to the Pacific Coast league than the American association is to the American league or the Western association to the Western league. The name is not as similar as if we called it the Pacific Coast association. The Pacific Coast league's objection is childish. There are no rules of baseball that forbid us to use the name Pacific Coast International league or Pacific Coast association."

"As to the statement of the Pacific Coast league's prestige being lost, that is all lost. They have no prestige to lose. Why should the Pacific Coast league be shrouded in velvet? The public will judge them on their merits and not by their false pretenses."

POOR BALLPLAYERS.

John McGraw ordered his players to have their tonsils removed. Christy Mathewson has gone home one better and has ordered his Reds to be vaccinated before they report at Montgomery in March. It seems that Manager Matty, on a recent visit to Montgomery, found that there was a lot of smallpox in the army camp there and he will take no chances.

BUSH LEAGUE MANAGER OF CARDINALS NEVER OUT OF FIRST
DIVISION.

All doubts that a "bush leaguer" is capable of properly managing a big league ball club and bringing it down the stretch against the hardest kind of opposition took wings and fluttered away last fall when Clarence Rowland led the White Sox to victory in the American League and then outgeneraled the "Little Napoleon" of baseball, John McGraw, in the world series.

Partly for these reasons and partly for the admiration he had for baseball ability and brains Branch Rickey, president of the St. Louis Cardinals, will put the

first bush league manager in charge of a National League club this spring when Jack Hendricks goes to the helm. Huge Bezdek cannot be considered a bush leaguer for he had never played or managed in any league before going to Pittsburgh.

Hendricks has served for 12 years as manager of minor league clubs. In that time he has finished first five times, second three times, third three times and fourth once. He has never been out of the first division.

Miss Bjurstedt and Mrs. J. Rogge, the two Norse women, playing together in the semifinal rounds of the doubles, again scored a victory, beating Miss Rawson Wood and Miss Goss in two sets, 6-0, 6-0. Miss Goss will play Miss Molla Bjurstedt, the champion, tomorrow. Miss Bjurstedt won her match today, defeating Mrs. D. C. Mills, 6-1, 6-2.

M'LEAN UNDISPUTED
SKATE CHAMPION

SARANAC LAKE, N. Y., Feb. 8.—Bobby McLean of Chicago defeated Edmond Lamy of this city in each of the three events today of the world's championship speed skating races.

McLean recently defeated Nathaniel, the European champion, and now stands unchallenged as the champion. Charles Jonstrow of Lake Placid won the honors in the amateur contests.

KONEY ALSO ASKS
FOR SALARY RAISE

BOSTON, Feb. 8.—Ed Konetchy, the big first baseman of the Braves, today threatened to retire from baseball unless he gets an increase in salary. It is not known whether the contract calls for a cut from last year.

A REAL TARGET.

SMITHFIELD, Feb. 8.—Much merriment has been caused by the life-size picture of the kaiser, painted in black and white, to be used as a target by the gun club on Saturday afternoon in their annual contest. A big dance will be given at night to celebrate the event.

GERMAN SPY ON
DUTCH VESSEL

AN ATLANTIC PORT, Feb. 9.—A German spy was reported tonight to have been found among forty first and second cabin passengers of the Dutch liner Nieuw Amsterdam, who earlier in the day was detained by federal agents for examination.

After twelve thin sheets of paper, covered with letters and figures of a code had been found upon him, the man is said to have broken down and confessed that he is in the pay of the German government, and had come here in order to furnish spies now operating in this country with the new code. He is also said to have stated that he received a large sum of money for undertaking the mission, but refused to give the names of the persons to whom the code was to be delivered.

Naturalized American.

The man was said to be a naturalized American citizen of Dutch or German origin.

Since the arrival of the Nieuw Amsterdam here on Thursday, elaborate precautions have been taken to prevent German spies on board from smuggling papers ashore.

Only government officers were allowed to meet the ship, and when the vessel docked it was guarded by 100 sailors and marines, and rope barriers were stretched between the passengers leaving the ship and the persons waiting to meet them.

Every person on board was thoroughly searched before he was permitted to pass the barriers and communicate with those on shore, and after all had been searched thirty-seven men and three women, it was stated, were detained for further questioning. It was among these the spy was found.

The purpose of the spy in coming to this country was to re-establish com-

EVANSTON DEFENDED

Evanson's high school baseball boys wear trimmed—themselves trounced—by the Ogdens high school experts last night. The score was 10 to 7.

The exhibition attracted a large attendance of students and others and the results made the temper move upward.

The Evanston-O. H. S. line was as follows:

Ogdens—T. Williams, L. Williams, H. Williams, Clark, Richards, Johnson.

Substitutes: Ogdens, V. Conroy, Conroy; Evanston, McAllister, Balle, Referee, Clifford.

Score: O. H. S., 53; Evanston, 19.

The junior O. H. S.-K. S. P. line was as follows:

Ogdens—Skeen, Hobson, Fornoff, O'Keefe, Pingree, Referee, Clifford.

Score: O. H. S., 53; Evanston, 19.
